"For Peel Day tomorrow, Altrok Radio will add audible footnotes to the online playlist to identify bands whose early exposure included a session for Peel's show; even using their standard randomized pick process, there was a whole lot of them (and of course, The Fall are in it; "Cruiser's Creek", in fact, which is funny 'cause "I Can Hear The Grass Grow" is on the current playlist.) And yeah, I'll place the sound bite of him talking about Altrok Radio into the stream...how could I not?"

Tune in tomorrow if you get a chance and check them out at Altrok
